No. Ft. 774-1/63 (M).—Whereas the forest land and waste land shown in the first schedule appended hereto are the properties of the Government or the Government has proprietary rights therein or the Government is entitled to the whole or any part of the forest produce thereof;

And whereas the Government proposes to declare aforesaid forest land and waste land as protected forest under sub-section (I) of section 29 of the Indian Forest Act, 1927;

And whereas the nature and extent of rights of Government and of private persons in or over the aforesaid land have not yet been recorded in any manner;

And whereas the Lieutenant Governor (Administrator), further thinks that an inquiry into and record of the nature and extent of the rights of the Government and the private persons in or over the aforesaid forest land or waste land are necessary but they will occupy such length of time as in the mean time to endanger the rights of the Government.

Now, therefore, in exercise of the powers conferred by sub-section 3 of section 29 of the Indian Forest Act, 1927, the Lieutenant Governor (Administrator) does

hereby appoint Shri Jai Pal Singh the Forest Settlement Officer to inquire into and record the rights of the Government and of private persons in or over the aforesaid forest land or waste land and such inquiry and record shall be made in the manner as far as practicable provided in part VI of the Himachal Pradesh Forest Settlement Rules, 1966 and during such inquiry the Forest Settlement Officer shall exercise any or all the powers under section 72 of the said Act as may be necessary;

And in further pursuance of the powers conferred by proviso to sub-section 3 of section 29 of the said Act the Lieutenant Governor, pending aforesaid inquiry and record, does hereby declare the said forest land and waste land to be protected forest but not so as to abridge or affect any existing rights of individuals or communities;

And in pursuance of the powers conferred by section 30 thereof the Lieutenant Governor (Administrator) further declare that the trees shown in the second schedule appended hereunder, in the said protected forest are reserved with effect from the date of publication of this notification in the Gazette and prohibits from the aforesaid date the quarrying of stone or burning of lime or charcoal or the collection or subjection to any manufacturing process or removal of any forest produce in the said forests, and the breaking up or clearing for cultivation or for building, for herding cattle or for any other purpose, of any land in the said forests.

And whereas the Government proposes to declare aforesaid forest land and waste land as protected forest under sub-section (1) of section of the 29 Indian Forest Act, 1927;

And whereas the nature and extent of rights of Government and of private persons in or over the aforesaid land have not yet been recorded in any manner;

And whereas the Lieutenant Governor (Administrator), further thinks that an inquiry into and record of the nature and extent of the rights of the Government and the private persons in or over the aforesaid forest land or waste land are necessary but they will occupy such length of time as in the mean time to endanger the rights of the Government.

Now, therefore, in exercise of the powers conferred by sub-section (3) of section 29 of the Indian Forest Act, 1927 the Lieutenant Governor (Administrator) does hereby appoint Shri Jaipal Singh the Forest Settlement Officer to inquire into and record the rights of the Government and of private persons in or over the aforesaid forest land or waste land and such inquiry and record shall be made in the manner as far as practicable provided in Part VI of the Himachal Pradesh Forest (Settlement) Rules, 1966 and during such inquiry the Forest Settlement Officer shall exercise any or all the powers under section 72 of the said Act as may be necessary;

And further in pursuance of the powers conferred by proviso to sub-section (3) of section 29 of the said act the Lieutenant Governor, pending aforesaid inquiry and record, does hereby declare the said forest land and waste land to be protected forest but not so as to abridge or affect existing rights of individuals or communities;

And in pursuance of the powers conferred by section 30 of the said Act the Lieutenant Governor (Administrator) further declare that the trees shown in the second schedule appended hereunder, in the said protected forest

are reserved with effect from the date of publication of this notification in the Gazette and prohibits from the aforesaid date the quarrying of stone or burning of lime or charcoal or the collection or subjection to any
